**Assorted information...**

- Have shoes on the bus appropriate for stretching/marching warm-up
- Remember all black socks! Nothing faded, or blue, or...
- Admission is \$8 for adults and \$5 for seniors and students (participating students do not pay)
- Eat something before arriving. You may visit their concession stand following our performance. You WILL remain at the stadium and WILL move about in groups (no individuals wandering off to get a drink). No one is allowed to leave campus.
- We will have to sit on the visitor side or end zone to watch the bands after competing
- Please learn from the other bands – don't look for things you "think we should do," but look to see how they perform the things *you* have been taught (direction changes, posture, style of step, hips, etc.).
- You will wear your show shirt when not in uniform
- You are to be ***respectful*** of other performers...be a good audience by not talking during a performance, applauding when appropriate, and supporting those who receive awards

***You Gotta***  
***Want It!***
