GENERAL INFORMATION:

- Wear shoes on the bus that will allow you to do physical stretch/warm-up.
- Clean, LONG, black socks and gloves
- Be sure shoes are wiped clean
- Instrument in good working order – wipe off and re-oil valves, use a good reed, etc.
- As always, be respectful of other bands.
- This is a large show with 19 bands in attendance. We are in the middle class of five classes. The first band performs at 1:30 pm.

Please remember that our success is not determined by hardware or placement. I will be totally pleased if we place last out of all the bands on Saturday as long as you have performed with intensity and passion. Those two qualities, along with a personal commitment to excellence will make our performance at McK spectacular!

YA GOTTA WANT IT!
